SURGEON STOOL

Models: **OP // OPN**

Description

Surgeon stool accomplishes the wide selection of products offered by Novak M for **day surgeries** and ambulatory procedures. Since the stool is comfortable, height adjustable, 360° rotatable, available with or without backrest, it provides a perfectly relaxed working position.

The stool is distinguished by **foot-operated pneumatic height control**, which is an ideal solution, when you need free and clean hands to ensure proper hygiene during surgeries. Instead of the standard **black antistatic padding**, you can also choose from other colors of the top quality water repellent and fire-resistant imitation leather from Novak M color selection.

Five antistatic castors with soft running surface ensure perfect stability during procedures. At the same time the stool is very mobile, so you can effortlessly move it closer to the table and perform your work professionally.

Dimensions

	OP (without backrest)	OPN (with backrest)
base diameter	53 cm	53 cm
seat diameter	36 cm	36 cm
adjustable seat height	48–61 cm	48–61 cm
higher height adjustment	54–73 cm / HOP	54–73 cm / HOP
antistatic castors	Ø 75 mm	Ø 75 mm
safe working load	150 kg	150 kg

Description

Medicine stool is a handy companion that complements your practice. It allows you to work in a comfortable and relaxed position and helps you maintain good posture.

The stool is fully **rotatable** and available with or without a **backrest**. Its height can be easily adjusted to set the appropriate position for your height.

The **star base** allows you to move closer to your patient, while the **round base** provides space for resting your feet. The five **rubber castors** run smoothly and are suitable for all types of floors, allowing you to move from your desk to your patient in no time. **Rubber feet** instead of castors are also available.

For the soft padded seat, you can choose from more than **30 colors of imitation leather** so that it matches the color of your table and other equipment in your practice perfectly.
