ROLL AND HALF-ROLL

Models: **BV1 // BPV1**

Description

Perfect accessory

The half-roll and roll provide perfect support for your patients during treatment. They will help you keep your patients in the appropriate position, support their body, relieve the muscle tension as well as contribute to their over-all feeling of complete comfort.

Variety of colors

The roll and half-roll are available in more than 30 colors of imitation leather. You will easily find the color to match the treatment table and other furnishing in your practice.

Top-quality upholstery

Top-quality imitation leather comes from the best European manufacturers. As it is resistant to urine, blood, disinfectants, saline solution, UV rays and microorganisms, it is easy to clean.

Durability

Due to high-quality foam, the roll and half-roll are extremely durable. They won't lose shape even after long-lasting use.

Dimensions

Roll (BV1): 15x60 cm

Half-roll (BPV1): 12x24x60 cm

Description

Indispensable

The face cushion is indispensable during massage and physiotherapy treatments. It contributes to the patients' relaxation and perfect comfort when they lie in a prone position. It also prevents the undesired lines imprinted on your patient's face.

Perfect shape

Novak M's face cushion is designed to fit all shapes of breathing holes. It embraces the whole face and increases the comfort of your patient.

Memory foam

The face cushion is made of two-layered memory foam. Due to its ability to mold and conform, it yields and adjusts to the shape of your patient's face, which makes it extremely comfortable to lie on.

Comfy cover

The textile cushion cover is pleasant to the touch. It gently cradles your patient's face during treatment. It is made of a washable material composed of 97 % cotton and 3 % elastane and is available in white and blue color.

Dimensions

Face cushion: 25x30x5 cm
